A full property description is forthcoming.

Describe the proposed use of the property.

The historic Himmelberger House is 5,625 sf above grade. We are proposing for it to become a boutique hotel consisting of seven guest rooms of varying sizes. One will be on the main floor and be handicap accessible and each guest room will have its own bathroom. The main floor will also have a meeting room, breakfast area, living room, and sun porch for guests. Parking will be added on the rear of the building to the north. The character of the house will remain unchanged except for it being refurbished to its original state. See attached drawings for additional information.

Special Use Criteria (Special Use Permit requests only)

Explain how the special use permit request meets the criteria below. Attach additional sheets, if necessary.

- 1) *The proposed special use will not substantially increase traffic hazards or congestion.*
Traffic will not substantially increase due to the hotel. The use will bring a limited number of vehicles to the property on a daily basis but due to the size of the proposed hotel (7 guest rooms), and the current traffic load of Henderson, the additional traffic will be negligible.
- 2) *The proposed special use will not substantially increase fire hazards.*
Fire hazards will like be decreased with the new use. This is because the property will be changed from a largely unoccupied building without a fire supression system to one that is occupied with a newly installed, code compliant, fire supression system installed.
- 3) *The proposed special use will not adversely affect the character of the neighborhood.*
The exterior of the building is going to be kept in its original state and refirbushed. There will be no building additions and it will be kept in higher state of condition than is current. The character of the neighborhood will increase the value of the neighborhood with this use.
- 4) *The proposed special use will not adversely affect the general welfare of the community.*
The use of the property will not adversely affect the community, in fact, it will help. The historic home will no longer be in a dilapidated state and become a viable, tax paying, entity the public will be welcome to come and experience.
- 5) *The proposed special use will not overtax public utilities.*
The use of the property will not create a burden on any public utilities. The size of the hotel is quite limited with only seven guest rooms. This load will be easily serviced by the utilities available.

REZONING / SPECIAL USE PERMIT APPLICATION

INSTRUCTIONS

Due to the complex nature of zoning, it is strongly recommended that an applicant discuss their request with City staff prior to submitting an application for a rezoning or a special use permit. To speak with a staff member, contact:

City of Cape Girardeau
Planning Services Division
44 North Lorimier Street
Cape Girardeau, MO 63701
(573) 339-6327
cityplanning@cityofcape.org

Applicants should also discuss their request with adjacent property owners, tenants, and other parties that may be affected should the request be approved.

A list of the adjacent property owners must be submitted as part of the application. "Adjacent property" means a property that is next to, or across a street or alley from, the property for which the rezoning or special use permit is being requested, including diagonal orientation. To obtain property owner information, contact Cape Girardeau County Mapping and Appraisal at (573) 243-3123 or visit the County's website at www.capecounty.us. The list must contain the name, property address, mailing address, city, state, and ZIP code for each adjacent property owner, per the following examples:

Property Owner Name	Property Address	Mailing Address	City	State	Zip Code
<i>Ex. John and Jane Doe</i>	<i>900 North Main Street</i>	<i>900 North Main Street</i>	<i>Cape Girardeau</i>	<i>MO</i>	<i>63701</i>
<i>Ex. ZZZ Development, LLC</i>	<i>910 North Main Street</i>	<i>100 Natural Bridge Avenue, Suite A</i>	<i>St. Louis</i>	<i>MO</i>	<i>63107</i>

In addition to the list, a set of plain, white, business size mailing envelopes addressed to the adjacent property owners (each with a first class U.S. postage stamp) must be submitted. Do not include a return address; City staff will add the Planning Services Division's return address to each envelope prior to mailing the public hearing notice. In lieu of submitting stamped addressed envelopes, the applicant may choose to pay an additional \$2.60 per adjacent property owner for the required envelopes.

For requests to rezone a property to PD (Planned Development District), refer to Section 30-341 of the City's Code of Ordinances for additional submission requirements.

Rezoning and special use permit requests are reviewed by the Planning and Zoning Commission. The application deadline is four (4) weeks prior to the Planning and Zoning Commission meeting date. The Commission meets monthly on the second Wednesday. Applications must be delivered to the Planning Services Division using the above contact information.

City staff will review each application for completeness. If required information and/or items are missing, the applicant will be contacted. Incomplete applications will not be reviewed until the requested information and/or items are provided.

Once an application has been deemed complete, it will be placed on the next Planning and Zoning Commission agenda. A notice of the public hearing will be sent to the applicant and the adjacent property owners. In addition, a sign containing information about the public hearing will be posted on the property.

The Planning and Zoning Commission will hold a public hearing on the request. The applicant, property owner(s) of record, or their representative must appear at the hearing and present the request to the Commission. If no one appears, then the Commission may table (postpone) the request.

If the Planning and Zoning Commission recommends approval of the request, then a public hearing before the City Council will be scheduled. A notice of the public hearing will be advertised in the newspaper. An ordinance approving the request will be prepared for consideration by the Council (if a request involves both a rezoning and a special use permit, then two separate ordinances are prepared).

If the Planning and Zoning Commission recommends denial of the request, then the application will be forwarded to the City Council at its next meeting. The Council may deny the request and file the application, or set a public hearing on the request. If the

application is filed, then a letter will be sent to the applicant notifying them of the filing and their right to ask for a public hearing within ten (10) days. If the applicant fails to ask for a public hearing within the ten (10) day period, the request will be denied. Rezoning and special use permit requests are approved by ordinance and must receive approval of the first reading at one meeting and approval of the second and third readings at the next meeting. A mandatory ten (10) day waiting period applies to all ordinances approved by the City Council. After the waiting period has passed, the ordinance will take effect. For special use permit requests, a special use permit will be executed by the City Manager, after which City staff will submit it to the Cape Girardeau County Recorder of Deeds Office for recording. Staff will deliver a copy of the recorded special use permit to the applicant. A special use permit becomes null and void if the use for which the permit was granted does not commence within twelve (12) months of the approval date, unless an extension has been granted.
